The purchase of physical assets is covered by the FRDC's procurement policy. This policy covers how physical assets are accounted for, and disposed of, once purchased.

8. POLICY

Physical assets whose value is greater than or equal to \$5,000 will be captured on the FRDC's asset register, and will be depreciated each month.

Physical assets whose value is less than \$5,000 will be expensed and recorded on the FRDC's *Assets under \$5,000 register* located in Nemo/Financial Management/Asset Register.

Where the FRDC decides to dispose of an asset (via the exercise of the appropriate delegation by either the Executive Director or the Business Development Manager), a third party quote/bid may be sought (this may include a trade-in offer); with employees being allowed to bid. The highest bid will be accepted. The Manager Corporate Services will manage this process in a transparent and equitable manner.
