

RAPPORTEUR/EDITOR FOR THE INDO-PACIFIC COMMISSION SYMPOSIUM
ON THE EXPLOITATION AND MANAGEMENT OF MARINE FISHERY RESOURCES
- FIRTA 86/140.

FINAL REPORT

FIRTA funds were approved for the consultant services of
Dr Donald Hancock;

- 1) to attend and act as rapporteur of proceedings of the
Symposium.
- 2) to receive, edit and forward participants' written
contributions to the meeting in conjunction with FAO
Rome and Bangkok.

There were some delays due to contributors being away and
some manuscripts being lost in the post, but the last paper
was sent to Bangkok by mid-October. Advice has been received
that the proceedings are now with the printer in Bangkok.

In conclusion the objectives of the grant were fully achieved
using nearly all the money granted. The final publication
will be of value to fisheries scientists and managers through-
out the IPEC regions.
